azienda / company

La storia di Dnd nasce dall'antica dedizione industriale diffusa nella Val Sabbia, dove nel 1968 nacque la FMN Martinelli sotto la guida di Angelo Martinelli. In questa valle della provincia di Brescia la vocazione siderurgica trova tracce risalenti all'età dei metalli nei numerosi reperti preistorici rinvenuti: resti che hanno dato un fondamentale impulso produttivo al settore della lavorazione dei metalli, divenuto poi industriale e apprezzato a livello internazionale. Da oltre cinquant'anni, il successo di Dnd si colloca in questo distretto speciale, unico nella storia del Made in Italy.

Nel tempo, l'azienda si è specializzata nella lavorazione e nella rifinitura dei diversi metalli destinati alla produzione delle maniglie e oggi Dnd, guidata nel segno della continuità familiare da Vilma Martinelli con i figli Pietro e Simona, è un'azienda solida e di stima internazionale, in grado di coniugare la lunga esperienza acquisita con la migliore creatività contemporanea. Dnd, infatti, mette la sua sapienza produttiva al servizio di designer e architetti di grande valore per disegnare e arricchire la gamma dei prodotti e per soddisfare al meglio la progettazione degli interni contemporanei. I progettisti e i consulenti sono parte attiva e preziosa dell'anima di Dnd, che si impegna a produrre maniglie in cui siano evidenti la ricerca, l'originalità e la qualità del progetto, dal disegno alle finiture, dai dettagli alla realizzazione.

Dnd ha inoltre acquisito il marchio Poggi & Mariani, al fine di completare la sua vocazione e la sua specializzazione nel settore di competenza. Le maniglie Poggi & Mariani – dallo stile classico e dalla realizzazione artigianale di comprovata qualità – sono presentate in un catalogo a loro dedicato e vanno ad ampliare l'esperienza industriale di Dnd e a unire due mondi di riferimento, quello del design e quello classico.

Se inizialmente è stato il territorio ad aver ispirato la creazione dell'azienda, oggi è l'azienda che restituisce alla Val Sabbia un ruolo chiave per lo sviluppo dei prodotti, incoraggiando e sostenendo una rete di realtà artigianali a cui demandare specifici passaggi di produzione e finitura: un indotto che costituisce l'ideale estensione di un processo che garantisce l'eccellenza dei prodotti che Dnd, con la sua ricerca, mira a realizzare.

Dnd, con fiducia e curiosità, si pone come una fucina di idee per il design contemporaneo e come solido punto di riferimento – a livello italiano e internazionale – per progettisti e progetti architettonici di qualità.

The history of Dnd comes from the industrial tradition of Val Sabbia, where in 1968 FMN Martinelli was founded under the leadership of Angelo Martinelli. In the valley, near Brescia, metalworking prowess dates back to the Metal Ages as documented by many prehistoric relics. This past has laid the groundwork for productive expertise in the metalworking sector, which has become industrial in character and sought-after on an international level. For over 50 years, the success of Dnd has its base in this special district, the only one of its kind in the history of Made in Italy.

Over time the company has specialized in the shaping and finishing of various metals for the production of handles. Today Dnd, guided in a context of continuity and helmed by Vilma Martinelli with son and daughter Pietro and Simona, is a solid corporation with an outstanding international reputation, able to combine its extensive experience with the best contemporary creativity. Dnd puts its production know-how at the service of outstanding designers and architects to formulate and expand the range of products and to adapt to the evolution of the world of contemporary interiors. Designers and consultants are seen as precious, active resources for Dnd, which is committed to producing handles that clearly reflect in-depth research, inventiveness and the pursuit of quality, from design to finishes, details to realization.

Furthermore, Dnd has acquired the brand Poggi & Mariani, with the aim of completing its mission and specialization in the sector of expertise. The handles of Poggi & Mariani, with their classic style and proven quality craftsmanship, are presented on a dedicated, distinct catalogue, and they offer an opportunity to widen the industrial experience of Dnd and unite two worlds of reference, that of design and that of classic style.

While at first it was the territory that drove the creativity of the company, today it is the company that plays a key role in Val Sabbia for the development of products, encouraging and supporting a network of crafts firms from which to order specific phases of production and finishing: a chain of manufacture that represents an ideal extension of a process that ensures the excellence of the products that Dnd, through its research, sets out to create.

Dnd, with confidence and curiosity, strives to be a forge of ideas for contemporary design and a solid reference point – in Italy and the world – for designers and architects and their valuable projects.

made in italy

Produrre maniglie di qualità e completamente Made in Italy da oltre cinquant'anni: una scelta strategica di lunga data che si fonda sui valori della cultura aziendale italiana e sul profondo legame che Dnd ha nei confronti del suo territorio e del suo distretto, la Valle Sabbia.

Dnd è Made in Italy con l'orgoglio di realizzare prodotti grazie al sapere, alla ricerca, allo stile e alla cura che oggetti di piccole dimensioni – come le maniglie – richiedono.

L'eccellenza e il valore del design italiano si fondano da sempre sullo sviluppare, lavorare, rifinire e collaudare in Italia: passaggi importanti a tutela di prodotti di qualità.

Dalla creatività ai materiali, dal disegno al progetto, dalla produzione alle finiture, maniglie che sono da sempre fatte in Italia e fatte di Italia per entrare nelle case più belle e accoglienti, per caratterizzare progetti architettonici di pregio e per soddisfare al meglio le personalizzazioni del mondo contract, in Italia e nel mondo.

To produce high-quality handles, completely Made in Italy, for over fifty years: a long-term strategy based on the values of an Italian corporate culture and the deep bond between Dnd and Valle Sabbia, its district and its territory.

Dnd is Made in Italy with pride, to create products thanks to know-how, research, style, and all the care that has to go into objects of small size such as handles. The excellence and value of Italian design are constants in the development, workmanship and testing, all done in Italy: important phases to guarantee products of the highest quality.

From creativity to materials, the drawing to the project, the production to the finishing, handles that are always made in Italy and made of Italy, to enter the most beautiful, appealing homes, to enhance outstanding works of architecture, to offer an optimal response to needs of customization in the contract sector, in Italy and the world.

identità / identity

L'immagine coordinata di Dnd racconta la volontà di aderire in modo esemplare al mondo del miglior design contemporaneo. Un'immagine chiara, forte e solida che si irradia in ogni spazio di rappresentazione dell'azienda.

Il logotipo, disegnato da Leonardo Sonnoli, presenta una lettera d che si inclina come una maniglia in azione un logotipo che indica una direzione – il futuro – e che al tempo stesso denota un presente dinamico. Il catalogo dell'azienda, impostato come un ambiente grafico dal forte nitore, diventa il luogo ideale dove le maniglie – e i valori formali e di finitura che esse sottendono – possono emergere al meglio.

The coordinated image of Dnd reflects a desire to play an exemplary role in the world of the best contemporary design. A clear, strong, solid image that shines through in every space of representation of the company.

The logo designed by Leonardo Sonnoli features a letter 'd' at an angle, like a handle during use. A logo that indicates a direction – the future – while at the same time embodying a dynamic present.

The catalogue, approached as a graphic environment of forceful clarity, becomes the ideal setting in which the handles – with their underlying values of form and finish – can be seen to best advantage.

Sistemi per porte e finestre

– Door and window systems

Sistema Less is fine 4 mm /
Less is fine system 4 mm

Il sistema Less is fine – di soli 4 mm – nasce grazie alle nuove tendenze dell'architettura. In soli 4 mm si trova la rosetta metallica con molla uni-direzionale destra o sinistra – a compressione –, la quale permette un'installazione senza lavorazioni aggiuntive sulla porta. Brevetto Dnd.

The Less is fine system has a thickness of just 4 mm. It has been developed in tune with the latest design trends. A patented uni-directional left or right spring-loaded metal backplate facilitates installation. Dnd patent.

Sistema VIS 7 mm / VIS 7 mm system

Componenti realizzati in nylon PA6 con molla uni-direzionale destra o sinistra. Rosette con diametro 50 mm e spessore 7 mm. Fori per fissaggio legno e interasse 38 mm per viti a connessione con o senza bussole.

Il sistema e la molla interna sono stati testati e certificati dal Laboratorio AQM - Cert.2012-1000/PPe, in base alle normative UNI EN 1906.

Test di tenuta e usura dei componenti meccanici. Simulazione di apertura e chiusura oltre 200.000 cicli.

Categoria d'uso Grado 3: alta frequenza d'uso da parte del pubblico o scarsa cura; alte

probabilità d'uso improprio.

Durabilità Grado 7: frequenza d'uso elevata 200.000 cicli.

Azionamento Tipo B, serrature caricate a molla.

The parts are made with PA6 nylon, with uni-directional left or right spring. The backplate has a diameter of 50 mm and a thickness of 7 mm. Holes for attachment to wood, 38 mm centering, with or without connector nuts.

The inner spring and system are certified by AQM - Cert.2012-1000/Ppe in keeping with UNI EN 1906 standards.

Mechanical components wear and tear test. Opening and closing simulation to more than 200.000 cycles.

***Durability** Grade 7: high frequency of use 200.000 cycles.*

***Type of operation** B spring-loaded furniture.*

Sistema 52 - 10 mm / 52 - 10 mm system

Componenti realizzati in metallo con molla bi-direzionale destra/sinistra. Rosette con diametro 52 mm e spessore 10 mm. Fori per fissaggio legno e interasse 38 mm per viti a connessione con o senza bussole.

The parts are in metal, with bi-directional left/right spring. The backplates have a diameter of 52 mm and a thickness of 10 mm. Holes for attachment to wood, 38 mm centering, with or without connector nuts.

Componenti tecnici / Technical components

Less is fine

VIS

VIS

52

DK VIS 9 mm

Il DK VIS nasce dall'esigenza di ottenere un sistema esteticamente combinato con il sistema VIS per porta.

Le componenti tecniche restano così più discrete e lasciano pieno spazio al design della maniglia. Un meccanismo facile e veloce da montare, senza la necessità di lavorazioni sul serramento.

DK VIS is the result of the need for aesthetic coordination with the VIS system for doors. The technical components remain more discreet to offer greater freedom in the design of the handle. The mechanism is easy and quick to assemble.

DK VIS TS 9 mm

Il DK anti intrusione con pulsante di sicurezza.

Sempre in 9 mm, sempre senza lavorazioni. Studiato appositamente per evitare che, forando il serramento dall'esterno, sia possibile azionare il meccanismo. TSDK non richiede lavorazioni e può essere installato anche in sostituzione a modelli precedenti. Inoltre è configurabile con tutti i modelli a catalogo.

The DK anti-intrusion model with security latch.

Still with a thickness of 9 mm, without the need for complicated installation operations. Specially designed to avoid the possibility of opening by drilling from the outside. TSDK does not require machining and can also be installed in place of previous models. It can also be coordinated with all the models in the catalogue.

PVD-BG

Oro antico lucido /
Antique bright gold

PVD-BG

Oro antico lucido.

Il colore dell'ottone proposto in una tonalità più calda: per un segno brillante e luminoso, dal fascino intramontabile.

Finitura garantita 20 anni.

PVD-BG

Antique bright gold.

The color of brass in a warmer tone: for a bright, luminous presence of timeless charm.

Finish guaranteed for 20 years.

PVD-SG

Oro antico satinato /
Antique satin gold

PVD-SG

Oro antico satinato.

Solido, raffinato e senza tempo, un tono dell'ottone in grado di valorizzare al meglio sia ambienti dal sapore di un tempo, sia interni dal disegno minimale.

Finitura garantita 20 anni.

PVD-SG

Antique satin gold.

Solid, refined and timeless, a tone of brass that is at its best in settings with the spirit of bygone days, but also in contexts of minimalist design.

Finish guaranteed for 20 years.

PVD-SCB

PVD rame satinato /
Satin copper PVD

PVD-SCB

PVD rame satinato.

Ottone con finitura rame, satinato.
Dall'aspetto prezioso e dal grande fascino,
il colore del rame sorprende e valorizza
maniglie accolte in interni domestici dal
carattere ricercato e dalla forte identità.
Finitura garantita 10 anni.

PVD-SCB

Satin copper PVD.

Brass with satin copper finish.
*With a precious image of great charm,
the color of copper surprises and enhances
handles in domestic interiors with an
elegant character of forceful identity.
Finish guaranteed for 10 years.*

PGS

PVD grafite satinato /
Satin graphite PVD

PGS

PVD grafite satinato.

Ottone con finitura grafite, satinato.
Un tono tra il grigio scuro e il nero: un
colore originale per far emergere l'oggetto
maniglia in ambienti connotati da una
grande attenzione al progetto.
Finitura garantita 10 anni.

PGS

Satin graphite PVD.

Brass with satin graphite finish.
*A tone between dark gray and black: an
original color to make the handle stand out
in contexts of great design refinement.
Finish guaranteed for 10 years.*

PVX
PVD Inox /
Steel PVD

PVX
PVD inox.
Ottone con finitura Inox.
La tonalità contemporanea dell'acciaio
inossidabile satinato, perfettamente
adattabile ad ambienti domestici e pubblici.
Finitura garantita 20 anni.

PVX
Steel PVD.
Brass with stainless steel finish.
The contemporary tone of satin-finish
stainless steel adapts perfectly to both
domestic and public spaces.
Finish guaranteed for 20 years.

ONV
Nickel lucido /
Polished nickel

ONV
Nickel lucido.
Trattata con vernice trasparente, è
una finitura più calda rispetto al colore
cromato e tende ad ammorbidire il profilo
delle maniglie, conferendo loro un tocco
raffinato.
Finitura garantita 10 anni.

ONV
Polished nickel.
Treated with transparent varnish, is a
warmer finish than the chrome color.
It tends to soften the lines of door handles,
while adding a touch of refinement.
Finish guaranteed for 10 years.

OC

Power cromo lucido /
Power polished chrome

OC

Power cromo lucido.

Processo di cromatura a spessore che conferisce lucentezza e morbidezza alle maniglie. Grazie alla deposizione di specifici composti metallici, la finitura assicura elevate performance di durata.

Finitura garantita 10 anni.

OC

Power polished chrome.

A thick chrome plating process that enhances gloss and smoothness to door handles. Through the use of specific metal composites, the finish provides long durability.

Finish guaranteed for 10 years.

PCS

Power cromo satinato /
Power satin chrome

PCS

Power cromo satinato.

Processo di cromatura a spessore che abbinato alla satinatura conferisce morbidezza e contemporaneità alle maniglie. Grazie alla deposizione di specifici composti metallici, la finitura assicura elevate performance di durata.

Finitura garantita 10 anni.

PCS

Power satin chrome.

A thick chrome plating process that combined with satin finish enhances smoothness and contemporaneity to door handles. Through the use of specific metal composites, the finish provides long durability.

Finish guaranteed for 10 years.

OGH

Bronzo satinato opaco /
Matt satin bronze

OGH

Bronzo satinato opaco.

Una bronzatura e una fine graffiatura manuale, unite a una vernice opaca, contribuiscono a creare una superficie molto originale.

Nato come finitura per modelli classici, il bronzo satinato opaco è oggi apprezzato anche su modelli dalle forme contemporanee.

OGH

Matt satin bronze.

A bronze finish with fine brushing done by hand, followed by a coat of matt varnish to generate a very original surface.

Created as a finish for the classic models, it is now also being used for handles with contemporary designs.

ONO

Nero /
Black

ONO

Nero.

Le tendenze dell'architettura degli interni puntano sul nero come colore elegante e sobrio, versatile ed eterno. Una finitura apprezzata per la sua adattabilità e la capacità di esaltare toni e contrasti.

Il colore nero opaco viene applicato con una resistente vernice a polvere.

ONO

Black.

Trends in interior design focus on black as an elegant, understated color, versatile and timeless. This finish is prized for its adaptability and capacity to bring out tones and contrasts.

The matte black color is applied with a durable powder coating.

Finiture cromate / Chrome finishes

Finiture galvaniche da cromo e nickel per superfici lucide e satinate.

Chrome and nickel galvanic finishes for polished and brushed surfaces.

Attestati di resistenza al fuoco EN 1634-2 ED. 2008

Test di resistenza al fuoco e al fumo per porte, finestre, serrature e componenti di ferramenta da costruzione.

I prodotti Dnd possono essere utilizzati per installazioni su porte e finestre che hanno ottenuto la certificazione EN 1634-2 e che hanno dimostrato di possedere la medesima resistenza al fuoco.

Attestation of fire resistance EN 1634-2 ED. 2008

Fire resistance and smoke control tests for door, shutter and openable window assemblies and elements of building hardware.

The Dnd products can be used for installation on doors and openable windows of similar type that had been tested according to EN 1634-2, and have been shown to have at last the same fire resistance.

maniglie
design

- design

handles

Una maniglia che nasce dalla fusione dei fondamentali aspetti ergonomici con la sobrietà dell'impatto visivo. Viva! presenta un aspetto diverso a seconda del punto di osservazione, con tratti lineari o morbidi e sinuosi a caratterizzarla.

A handle based on the fusion of fundamental ergonomic aspects with understated visual impact. Viva! looks different from various vantage points, with linear or soft, sinuous features.

049

Una costruzione formale palindroma: il profilo della vista superiore è identico a quello della vista frontale, ribaltato di 180 gradi. Una forma elegante ed essenziale, un volume mutevole che suggerisce all'utente la presa con il suo profilo frontale.

A palindromic structural form: the profile in the view from above is identical to that of the frontal view, but reversed by 180 degrees. An elegant and essential form, a mutable volume that suggests the proper grip with its frontal profile.
